(For People Who Want To Quit Work Someday)

(Once you understand the M.O.B.S. site building process it is literally like riding a bike. You only need to "get it" once and then you can keep doing it for the rest of your life. You won't need any special skills or any previous experience. You'll be shown everything you could ever need to know from the ground up)

Here's some topics you will be mastering:

- \* Hunting down high revenue niche markets
- \* Isolating target keywords that attract paying traffic
- \* Matching a niche market with high converting products
- \* Promoting information products and physical products
- \* Understanding how to make people buy, i.e. conversions
- \* Choosing and registering domain names
- \* Setting up domain names and hosting to work together
- \* Understanding and implementing
- \* Creating money making sites that run on autopilot
- \* Climbing fast up the search engine rankings
- \* Ranking high in search results purely through on page SEO
- \* Accelerating your progress through backlink building
- \* Ranking each and every page of your sites
- \* Driving and increasing targeted free organic traffic
- \* Multiplying your revenue through email marketing
- \* And much much more!!
