(This is Clayton's Complete Business System. If you want to learn about copywriting, this is an excellent product to study. And Yes, this included the Bonus Material that is not easy to come by.....Clayton is about 60 and starting to be very selective in who he works with. I think you will see less and less of his products on the market. He has even shut down his store on his website.... So if you want to learn about copywriting, grab this while you can)
