(The Dale Carnegie Method To Public Speaking)

You will learn :

- How to identify your authentic self so that you project an original and unique style
- How to win over any audience in ONE MINUTE
- A 5-point checklist to run through immediately before a presentation that will make stage fright disappear
- A powerful tactic for getting your listeners to act the way you want them to
(works equally well with colleagues, children...anyone you talk to!)
- The renowned "Magic Formula" technique -- a no-fail 3-step process that will ensure
your listeners not only remember what you say, but make immediate and positive changes based on it
- The secrets to handling hostile or potentially embarrassing questions with ease and professionalism
- And SO MUCH MORE

Lee Pulos - *The Biology of Empowerment* 8 CD + Workbook

80,000 Jul-11 ♦ RECOMMENDED ♦

(Permanent personal transformation is possible ... and it all starts at a cellular level. The Biology of Empowerment will equip you with the most powerful tools ever discovered for creating rapid, lasting changes that will naturally propel you toward wealth, health, happiness, or any goal you can think of! Traditional transformation strategies address the conscious and subconscious repositories of belief, often quite successfully. But far beneath these intellectual planes, your cells maintain the memory of that original belief.)

02. How to Get People To Do What You Want 8 CD

80,000 Oct-11 \ RECOMMENDED /

In this incredible home study program you will learn how to...

- * Effectively use non-verbal communication to get what you want
- * Gain instant rapport and trust with others
- * Discover the three ways in which people process information and how you can appeal to them in ways that they respond immediately
- * Learn to better utilize how your own brain processes information
- * Use good voice tonality in your sales pitch with hypnotic results
- * Discover how to naturally use highly suggestive language to get what you want
- * Structure your language to turn resistance into assistance and overcome objections

With these skills, you can...

- * Win the attention of even the most difficult people
- * Persuade the most difficult prospect to "see your point of view"
- * Negotiate more effectively than before
- * Create high performance states of mind for yourself or others
- * Sell more in a shorter amount of time - up your close ratio
- * Use simple language packaging to become totally persuasive
- * Make friends and influence people
