(In reality, I decided to develop a mind control study course to start using with my private clients who pay \$997/month. Over the past few months, we've had extensive training using the three phase formula I came up with. And much of the training was done through group teleseminars. After seeing the success of this formula I decided to condense it down to 3.5 hours of the most valuable and effective audio material from the teleseminars)
