Persuasion 911

In this series I will walk you through the Persuasion 911 Process.

Here's what you are going to learn in this course:

✓ The dominant emotion your clients are dealing with now is anger. They are angry at losing their jobs, losing their retirement nest-egg, and losing faith in the world. They are angry, cynical, bitter, and are waiting to bite your head off.

✓ You can't afford to let their anger run over you. So we're going to focus on how to **really listen** without getting defensive. How to **pace their anger**. How to use **anchors** to change their perceptions, and how to have them enthusiastically keeping whatever you offer.
